### Winter Weather Information

Please be sure to send your child to school with warm outdoor clothing. We will have recess every day for 25-30 minutes. We **only** stay in for rain, lightning, or when the temperature and/or “feels like” wind-chill is 0° or below.

- Students must wear winter boots in order to go out on the snowy field or playground sets. If the snow is over the tops of the boots, about one inch, students will need to have on boots and snow pants.
- We recommend sending an extra pair of socks in a ziplock bag for your child to keep in their backpack in case their socks get wet during recess.
- Please visit our District Page for information on school closings in Winter at <http://www.greenfield.k12.wi.us/District-Info/District-Overview/School-Closing>

Happy New Year Elm Dale Families! With the start of the new year your child or children will be finishing up their basketball unit in physical education. We're going to try to put skills learned into a game like setting. After their basketball unit they will then learn skills used in floor hockey. I hope you had a chance to relax and enjoy your vacation and that the start to the new year goes smoothly! -Coach

### The Elm Dale PTO Cookbook Needs Your Recipes!

Be sure to submit your family favorite recipes to the Elm Dale Family Cookbook! We are asking families to submit at least 3 recipes so we have a full cookbook. Recipes are due January 13, 2018. Fill out the Recipe Submission Forms sent home on December 22nd, or pick one up in the school office.

### Learning Common Request

Please help keep our library books safe and dry. We have had an increase in damaged books due to water bottles and wet mittens in backpacks. We understand that accidents happen, and appreciate a note if damage occurs. Please note that students are responsible for these books and may be charged if books are damaged or lost.
