

Elm Dale News

May and June 2017

Thank you for another great year of learning!

Construction will be happening once again as we change our library into a learning commons and update the cafeteria including (yahoo!) sound absorbing panels. We will also be getting wooden cubbies with shelves for all students.

Thank you to Mrs. Paluszka. After 36 years in our district helping students, families, and staff. Mrs. Paluszka will retire from Elm Dale this June. She has helped each and every student when they had an upset stomach or just needed a little TLC. We wish her a retirement full of joy, relaxation, and no school phone messages.
